

Island Primary Care - Orcas Patient Checklist

The following items are useful reminders for patients as they transition care to Island Primary Care - Orcas.

Schedule an Appointment

- Appointments are required for all services; No walk-ins appointments will be available. Patients may schedule appointments at Island Primary Care - Orcas by calling [360-293-3101](tel:360-293-3101). Patient appointments will be scheduled for April 5, 2021 and beyond.
 - Please note: Patients will initially see an Island Hospital transition provider until they can establish care with a permanent Island Primary Care provider.
 - As Island Hospital builds the provider team, patients who are ill or who need to manage chronic conditions will be given priority. As such, Island Primary Care - Orcas will be limiting well visits and annual physicals to ensure patients with the greatest need receive priority.
 - Patients already established with Island Hospital may use the portal to request an appointment.

Sign up for Electronic Medical Records

- Following their first appointment at Island Primary Care - Orcas, patients will have access to *myIslandHealth* portal to view medication lists, immunization records, lab results and more.

UW Medicine and Orcas Family Health Clinic Patient Coverage: March 27 – 31, 2021

- The last day of patient care at the UW Medicine clinic will be Friday, March 26. From March 27 to 31, UW Medicine will offer telehealth appointments and Orcas Family Health Clinic (OFHC) will provide same-day or after-hours care for anyone needing to see a provider.

After-hours care: Contact your UW provider by calling 360-376-2561.

Patient Coverage: April 1 – 4, 2021

- During this week, Island Hospital will be implementing new employee orientation, provider and staff training and IT set up. Appointments on April 1 and 2 will be provided by Island Hospital via telehealth appointments. Call 360-293-3101 to schedule. On April 5, in-person visits for Island Primary Care will begin.

After-hours Care: Call 360-293-3101 to connect with a physician within 30 minutes.
