

PATIENT CONSENT FOR E-MAIL COMMUNICATIONS

It is Island Hospital's understanding that you would like us to communicate with you via e-mail . Prior to using e-mail communications that may contain your protected health information, Island Hospital needs to advise you that there may be some level of risk that information in an unencrypted e-mail communication could be read by a third party. Island Hospital will not be responsible for any unauthorized access of your protected health information in e-mails that we send to you.

If you have any questions about this form or about our communications with you about your protected health information, you may speak with Island Hospital's Privacy Officer, Kay Steiner, at 360-299-4291.

I, the undersigned, consent to e-mail communications with Island Hospital and its providers about my protected health information and I understand the risks associated with using e-mail communications. I will inform Island Hospital in writing if I no longer wish to communicate with Island Hospital via e-mail.
